DIRECTOR OF DEPARTMENT OF NATURAL RESOURCES CHUCK GIPP

June 6, 2017

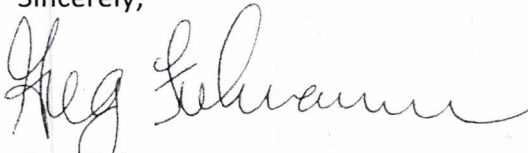

ANDREW STIENECKER
ELECTROLUX HOME PRODUCTS INC
10200 DAVID TAYLOR DRIVE
CHARLOTTE NC 28262

Dear Mr. Stienecker,

The Iowa Department of Natural Resources (DNR) has reviewed the Land Recycling Program Enrollment Application for the former Electrolux Manufacturing Facility, located at 601 East Central Street, Jefferson Iowa. The application is denied. Attached are recent City of Jefferson municipal city well analytical results that show detections of cis-1,2-Dichloroethylene. With the new information, the site shall remain overseen by EPA's RCRA section.

Call or email with questions me at 515-725-8341 or greg.fuhrmann@dnr.iowa.gov.

Sincerely,

Greg Fuhrmann
Land Recycling Program Coordinator
Iowa Department of Natural Resources
